Subject: Payment Options and Terms

General

- For customers outside the US, EIT requires pre-payment prior to shipping/returning a unit
- Shipping and applicable taxes, duties and customs fees are the responsibility of the customer
- EIT ships via UPS and Fed-Ex. Shipping via other services including a broker or DHL must be arranged by the customer.
- Arranging for payment and shipping ahead of time will save time and get your instrument returned to your facility quicker

Payment Options for EIT UV Instruments and Services

Credit Card

- EIT accepts all major credit cards through our secure website portal at no additional charge
- Do not provide your credit card information on any correspondence including mail with EIT
- Once the unit or item reaches our shipping team, EIT will email an invoice to the email address that we have on file for the order with the amount due and Order/Invoice Number
- Payment needs to be made prior to shipment at: <https://www.eit.com/pay-invoice>

Wire Transfer

- If you choose to pay by wire transfer, EIT will send a Proforma Invoice that includes applicable (instrument cost, calibration fee, repair charges, shipping) fees
- Wire transfer instructions will be included with the Proforma Invoice
- EIT currently charges \$25 to process all wire transfers

Net Terms

- EIT offers Net 30 Terms to customers that have qualified and have been approved by the EIT Controller
- Customers approved for Net Terms will need to provide a Purchase Order that includes contact information for your Accounts Payable team
- Price quoted is based on Net 30 Terms. EIT will evaluate requests different than Net 30 and if approved by our Controller adjust our prices accordingly
- EIT reserves the right to limit available credit and/or suspend Net Terms based on payment history
